## MISS DIVISION

The State Finalists in your State Pageant represent the best of the nation and are always the best judges of who should be invited the following year. Do you have friends or acquaintances, from any state, that you would like to join us in next year's pageants? Please take a moment to write down their names, complete addresses, zip codes, and ages. We would be happy to send them invitations!

If you fill in this page, then we would like to express our appreciation for your help by giving you an award at Pageant Check-In. The awards are listed to the right. You may make copies of this page as well as photocopy directories (such as school, church, etc.) if needed, but be sure to recommend only girls currently aged 3 to 38. The contestant with the most recommendations will receive a trophy. Thank you for your support!

**Please fill out valid and complete recommendations and bring this form to Pageant Check-In.**
