

Art Contest

We want you to have fun with this free Optional Contest! The winner and first runner-up will both be recognized. Remember, if you want to enter the Art Contest, you must follow the instructions below.

Instructions:

- This art contest is designed to let you use your imagination to describe yourself.
 - You will create a “collage” to show us your interests. As an example, maybe you like soccer, pizza, school, and horses. You would create (draw, color, paint, etc. – your choice) something representative of each of these interests in the four spaces on the reverse side of this page.
1. This is an *Optional* Contest. As with all Optional Contests, you are not required to participate, and it does not affect your scoring for the Required Competitions.
 2. Fill in your name and age (as of pageant weekend) in the blanks at the bottom of this page.
 3. If you would like to practice, please make some photocopies of this sheet first. You may use a photo copy for the sheet that you actually turn in pageant weekend. However, **do not enlarge or reduce the size.**
 4. You may use any media (crayons, glitter, markers, etc.) that you feel is appropriate to create your entry.
 5. **DO NOT mail your entry to the pageant office;** bring it with you on pageant weekend.
 6. Do your own work; the judges will be taking age into account.

Have Fun! Be Creative!

Please print neatly in dark ink or type.
